Some Facts about Kappa Sigma

I can tell you that fraternities can be expensive; the great thing about Kappa Sigma is having the largest endowment fund of any Greek organization which means more money for you. The Scholarship Leadership Award can be annually applied for and go towards academic financial need and your Kappa Sigma dues.

We Have the Lowest Dues on Campus.

How Much Time does this take?

Fraternities do take time, it's no lie. Here at the Nu-Epsilon Chapter we recognize that fact and develop different programs so that you can be as active of a brother as you wish to be and still know what's going on and receive the benefits of being a Kappa Sigma brother.

Will my grades will go down?

Historically student's grades are the highest during their pledgeship and Nu-Epsilon brought up there men's organization GPA on campus ... period.

What About Hazing?

Hazing is against everything Kappa Sigma stands for. We don't haze and never will.
